I valori sul consumo medio indicati si riferiscono a condizioni di funzionamento standard del forno. Tali valori possono variare a seconda di particolari condizioni atmosferiche e dalla qualità del combustibile usato. | The information on the ovens average consumption refer to a standard functioning of the ovens. These values may vary depending on atmospheric conditions and the quality of fuel used. | Les valeurs de consommation moyennes mentionnées se réfèrent à des conditions de fonctionnement standard du four. Ces valeurs peuvent changer en fonction des conditions atmosphériques et de la qualité du carburant utilisé. | Los valores de consumo medio indicados se refieren a condiciones de funcionamiento normales del horno. Estos valores podrian variar dependiendo de particulares condiciones atmosféricas y de la calidad del combustible utilizado.
